

## SUPERLUX PRA20TQG

Šifra: 1090  
Kategorija proizvoda: Headset Mikrofoni  
Proizvođač: SUPERLUX

Cena: **3.960,00** rsd

### PRA20 TQG

#### Headworn Dynamic Microphone

The PRA20 is a head-worn dynamic microphone with no proximity effect when used in close miking applications, avoiding those unwanted "pop" sounds. These microphones have a light-weight, comfortable steel wire design and a tailored vocal frequency response that increases the intelligibility of speech. The PRA20 does not require phantom power and is especially suitable for all vocal miking.

#### PRA20TQG TA4F connector for wireless

#### Features

Strong and flexible gooseneck allows precise placement of microphone to capture the perfect sound

No proximity effect, excellent wearing comfort

Smooth

PRA20, PRA20TQG are for wireless systems
