

MARTIN T Rex - Skener

Šifra: 6297
 Kategorija proizvoda: Skeneri
 Proizvođač: Martin

Cena: **17.880,00** rsd

The T-Rex is a 250 W scanner featuring a quad angled mirror for aggressive mid-air effects and a combined color/gobo wheel offering multiple colors and a full array of 19 gobo patterns.

An awesome force has evolved...and it's the most dangerous threat yet to lower light forms. King of its habitat, the T-Rex is the aggressive new companion to Martin's other famous predator, the Raptor. Together they form a deadly new partnership. Fast and furious, the T-Rex deploys its unique quad angled mirror to create a devastating salvo of effects: light beams with razor sharp intensity slice through the air, changing color and direction to the beat of the music. And being a cold-blooded monster, the T-Rex remains cool at all times. Its high-speed cooling fan means the T-Rex is ready for action all night long.

250 W halogen lamp

1000 hour lamp included

Compl

12 gobos

19 g

Faceted rotating parabolic reflector

Safet

Rigorously tested for total reliability

Musi

Continuous operation - no cool down time needed

Physical

Length: 490 mm (19.3 in.)

Width: 164 mm (6.5 in.)

Heigh

Weight: 7.5 kg (16.5 lbs.)

Lamp

Type: 250 W, 24 V ELC halogen

Fitted as standard: Philips ELC 10H 250 W (1000 hrs.)

Socket

Approved alternative lamp(s): Osram ELC 24 V/250 W (50 hrs.), Osram ELC-7/X 24 V/250 W (700 hrs.)

Dynamic Effects

Color/gobo wheel: 19 pattern gobos (11 single color, 4 multi-color, 4 non-color) + open

Motorized mirror: Quadruple angle, continuous rotation

Motor

contir

Optics

Manual focus: 2 m (6.6 ft.) - 20 m (65.6 ft.)

Control and Programming

Control: Music trig, automatic level sensitivity adjustment

Construction

Housing: Steel and aluminum

Installation

Mounting points: Adjustable floorstand/mounting bracket Orientation: Any

Connections

AC power input: 3-pin IEC male socket

Electrical

AC power: 110-120 V, 50/60 Hz (US model)

AC power: 230-240 V, 50/60 Hz (EU model)

Main
blow)

Thermal

Cooling: Forced air

Maximum ambient temperature (Ta max.): 40° C (104° F)

Maxin
60° C

Total heat dissipation (calculated, +/- 10%): 920 BTU/hr.
