Product description

The MPH30 is a very powerful horn-loaded sound projector, effective for both in- and outdoor use. It can be used in areas where the background noise level is high.

The MPH30 is equipped with a treated 5.25" woofer with aluminium dome. This gives you a clear sound reproduction for music and speech and is very performant, even for long distance use.

The loudspeaker is provided with a stainless steel bracket and screws, its housing is made of ABS plastics. This makes the MPH30 weather and UV-proof.

Further the MPH30 is provided with a high quality 30 watt 100 Volt transformer with several power tapings.

Its standard colour is white. As an option the MPH30 can be painted in any RAL colour (Ref; PAINTMP). Please note that the minimum order quantity for PAINTMP is 12 pieces.
