

PRO-JECT PHONO BOX S2 ULTRA BLACK Gramofonsko Pretpojačalo

PRO-JECT PHONO BOX S2 ULTRA BLACK Gramofonsko

Šifra: 14869
Kategorija proizvoda: Gramofonska Pretpojačala
Proizvođač: Pro-Ject

Cena: **23.880,00** rsd

Features

- Audiophile performance
- No operational amplifiers used
- Audiophile-grade polystyrene capacitors
- Precise split RIAA equalisation
- Switchable Subsonic filter -18 dB @ 20Hz
- Switchable input impedance/capacitance
- Four adjustable gain levels
- Solid metal casing protects from interferences
- Outstanding sound quality
- Available in silver or black
- Handmade in Europe

Specs

- Input impedance: 10, 100, 1k, 47k ohms / 100pF
- Input capacitance/impedance: 100pF, 200pF, 320pF and 420pF */47kohms B
- Input gain: 40 and 43dB B / 60 and 63dB A
- Signal / Noise ratio MM: 85dBV (90dBV - 'A' weighted)
- Signal / Noise ratio MC: 65dBV (71dBV - 'A' weighted)
- THD: <0,0005% MM, < 0,004% MC
- RIAA-equalization curve accuracy: <0,4dB / 20Hz - 20kHz
- Subsonic filter: at 20Hz with 18dB/octave
- Input: 1 pair RCA/phono sockets
- Line-level output: 1 pair RCA/phono sockets
- Power supply DC: 18V/500mA
- Power consumption: 18V/80mA DC
