SVS 3000 Micro Piano Gloss Black Aktivni vufer

SVS 3000 Micro Piano Gloss Black Aktivni vufer

Šifra: 15054

Kategorija proizvoda: Hi-Fi Subwooferi

Proizvođač: SVS

Cena: **137.880,00** rsd

Featuring innovations from the reference SVS 16-Ultra subwoofers married to fully active dual opposing 8-inch drivers, and an 800 watt RMS, 2,500 watt Peak Power Sledge STA-800D2 amplifier with discrete MOSFET output, 3000 Micro delivers performance that obliterates every micro subwoofer that has come before. It also features the powerful SVS subwoofer control smartphone app for advanced tuning and DSP. Finally, a micro subwoofer worthy of the name SVS.

Dual opposing 8-inch active drivers designed acoustically and electrically in parallel

800-watt RMS, 2,500-watt peak Sledge STA-800D amplifier with fully discrete MOSFET output

Rear-mounted internal amplifier with Intelligent Control Interface (ICI)

High-end Piano Gloss Black and Piano Gloss White finish options

Screw-in rubber feet

Structurally reinforced MDF cabinet construction

Fully Active Dual Opposing 8-inch Drivers

Image not found or type unknown

**Fully
Active
Dual
Opposing
8-inch
Drivers**

A first-
ever
design
for SVS,
two
fully
active 8-
inch

woofers are mounted on opposite sides of the sealed cabinet and move in perfect unison to generate stunning low frequency output with crisp, musical transients. The usable surface area of two fully-active 8-inch woofers firing in opposite directions achieves performance on par with significantly larger single-driver subwoofers. Its tight, punchy output obliterates multi-driver passive radiator subwoofer designs known for their bloated and boomy

sound.

Innovative Motor Assembly

Image not found or type unknown

Innovative Motor Assembly

An oversized, vented motor structure is optimized for efficient thermal and mechanical-energy management in a confined space. Massive electromagnetic force produced by the motor, in

symphony
with the
high
current
driving
power
of the
Sledge
amplifier,
allows
the
3000
Micro to
maximize
on the
output
potential
of the
dual
drivers.

Sledge STA-800D2 Amplifier

**Sledge
STA-
800D2
Amplifier**

An 800
watt
RMS,

2,500+
watt
peak
power
Sledge
STA-
800D2
power
amplifier
that
combines
the high-
current
output
of
discrete
MOSFETs
with
Class D
efficiency
and the
processing
power
of an
Analog
Devices
DSP.
The
3000
Micro
subwoofer's
amplifier
effortlessly
produces
sustained
high-
current
output
for the
most
difficult
low
frequency
playback
without
clipping
or
bottoming
out.
Convincing,
high-
impact
audio
experiences
without
a trace
of
distortion.

Dimensions (including grilles)	10.9" (278mm) H X 11.7" (297mm) W X 10.7" (271mm) D
Weight:	22.5lbs (10.2kg)
Packaged Dimensions:	13.9" (353mm) H X 15.4" (390mm) W X 15.4" (390mm) D
Packaged Weight:	26.7lbs (12.1kg)
