Šifra: 15433

Kategorija proizvoda: Konferencijski / Instalacijski

Mikrofoni

Proizvođač: Biamp - Apart

Cena: 191.760,00 rsd

The TCM-X microphone delivers the same level of performance as our other Beamtracking microphones in a sleek, unobtrusive design that mounts to the ceiling. The TCM-X actively tracks and intelligently mixes conversations from around the table, allowing far-end participants to experience the conversation as they would a face-to-face meeting. Each network box has its own digital signal processing module and comes with an additional RJ-45 connector to add an optional TCM-XEX to the network box. A maximum of two microphones are permitted per network box (one TCM-X or TCM-XA with TCM-XEX). The TCM-X is well suited for a variety of room types and sizes with 10' ceilings or lower that require high-quality audio solutions and low profile or unobtrusive microphones.

Measures 5.90 inches (150 mm) in diameter

Mounts directly to the ceiling to virtually disappear in room

Beamtracking technology actively tracks and intelligently mixes conversations

Four 90-degree zones for full 360-degree room coverage

Network box includes DSP for Beamtracking

Uses only one channel of AEC per mic

Single cable connection via CAT cable

Beamtracking technology works out-of-box without any lobe aiming or room mapping

LED mute status indicator

Available in either black or white

Evaluated to the requirements of UL 2043 and is suitable for use in air handling spaces

Additional RJ-45 connection

CE marked, UL listed, and RoHS compliant

Covered by Biamp Systems' five-year warranty
