stylish, shockproof rubber exterior is combined with an IPX7 waterproof rating, thus making it possible to survive the harsh outdoor elements, including submergence in water and even a covering in sand, dirt or dust!

A built-in 2500mAh rechargeable battery offers up to 8 hours of playtime as well as allowing you to charge your phone or tablet devices on the go - thanks to a built-in power bank functionality.

For the true adventurer, the Wharfedale Exson M also uniquely features a high-power LED flashlight functionality. So, unlike any other portable Bluetooth speaker, the Wharfedale Exson M is your one-stop solution of portable power, torch and music for the great outdoors!

EXSON-M

Wharfedale Exson M is the ultimate versatile portable Bluetooth speaker for the active lifestyle.

With Wharfedale's Maxx Bass DSP the Exson M is loud, detailed and rumbles with bass!
