Šifra: 15597

Kategorija proizvoda: Wireless Zvučnici

Proizvođač: Wharfedale

**Cena: 13.080,00 rsd**

A  
built-  
in  
high-

capacity rechargeable battery and power bank will not only keep the music playing all day or all night, but it will also charge your mobile phone or tablet devices.

A True Wireless Stereo (TWS) pairing capability enables streaming across two Wharfedale Exson S speakers for increased volume and a genuine immersive stereo sound.

Ready for an active life on-the-go, in the gym, by the pool or chilling in the garden, the Wharfedale Exson S is also IPX7 rated – waterproof, dustproof and drop-proof – enjoy your music anywhere!

### EXSON-S

Wharfedale Exson S is a portable Bluetooth speaker that offers an excellent combination of portability and tremendous sound performance. A high-volume output, dual Wharfedale radiators and a Maxx Bass DSP, ensure the tunes are loud with deep bass extension.

A built-in high-capacity rechargeable battery and power bank will not only keep the music playing all day or all night, but it will also charge your mobile phone or tablet devices.

A True Wireless Stereo (TWS) pairing capability enables streaming across two Wharfedale Exson S speakers for increased volume and a genuine immersive stereo sound.

Ready for an active life on-the-go, in the gym, by the pool or chilling in the garden, the Wharfedale Exson S is also IPX7 rated – waterproof, dustproof and drop-proof – enjoy your music anywhere!

IPX7

## Ultimate Waterproof Design

Thanks to its ultimate waterproof design, the IPX7 waterproof rating enables you to carry it into the pool and even dunk it completely into the water while playing music! (Waterproof up to 30mins @ 1m)

Up to 8 Hours  
Playback

## Long Battery Life

The built-in 2500 mAh  
rechargeable battery offers  
up to 8 hours of music!

True Wireless  
Stereo Connection

## True Wireless Stereo

True wireless stereo function supports two speakers pairing together wirelessly and effortlessly for stereo sound.

DSP Maxx  
Bass

Wharfedales Maxx Bass DSP enables a thumping and rumbling sound with deep bass but with a totally controlled, detailed sound.

Speakerphone

No need to worry about the short battery life of your phone or tablet, thanks to the power bank function. USB Type-C connection provides ultra-fast charging.

A built-in speakerphone gives you convenient hands-free calling without picking up your phone.
