

NEO by Oyaide d+RCA class A 1m

Šifra: 16086
Kategorija proizvoda: DJ Kablovi
Proizvođač: NEO by Oyaide

Cena: **3.120,00** rsd

The NEO d+ cable offers musicians, DJs, producers, sound engineers and sound designers with professional demands a very high sound quality. The oxygen-free copper cable guarantees minimal transmission losses and high sound quality for professional demands. In addition, the flat design of the cable prevents signal distortion caused by interference.

The NEO by Oyaide d+ Stereo Cinch/Cinch cable in two has a modern, sophisticated design that is second to none.

NEO by Oyaide d+ Stereo RCA Cable, Class A Features: stereo RCA to stereo RCA cable Class-A Designed for musicians, DJs, producers, sound engineers and sound designers Manufactured to the highest Japanese standards. High quality analog cable for reliable audio transmissions and best sound quality. Interference free data transmissions and electromagnetic noise reduced Double shielding (Tinned wire surface + Aluminum tape) and the twisted pair structure Conductors with 18AWG PCOCC-A (pure copper with Ohno Continuous Casting) Terminals with 24k Gold coated bronze alloy Flat ribbon cable design ensures constant pitch and electrostatic capacitance between conductors. Large wire diameters result in powerful sound projection and prevent signal loss - Double shielding and twisted pair structure combine with TPE outer jacket to reduce electromagnetic noise. Aluminum outer jacket with PBT and 30% fiberglass construction ensure frequency stable and high quality recordings and playbacks. Color: orange Length: 1m

Features:

Manufacturer: NEO by Oyaide
Colour: Orange
Cable Length (m): 1
