

Primare I15 Prisma MKII Integrated Amplifier w/ Network Player Titan

Šifra: 16196

Kategorija proizvoda: Integrisana Pojačala

Proizvođač: Primare

Cena: 215.880,00 rsd

Best Product 2018-2019 - Amplifier

"The proven Class D power amplifier is meaty enough to drive most loudspeakers, while the fascia's crisp OLED display keeps track of source and volume settings. Factor in the svelte alloy casework and the I15 Prisma makes great sense for those seeking something out of the ordinary."

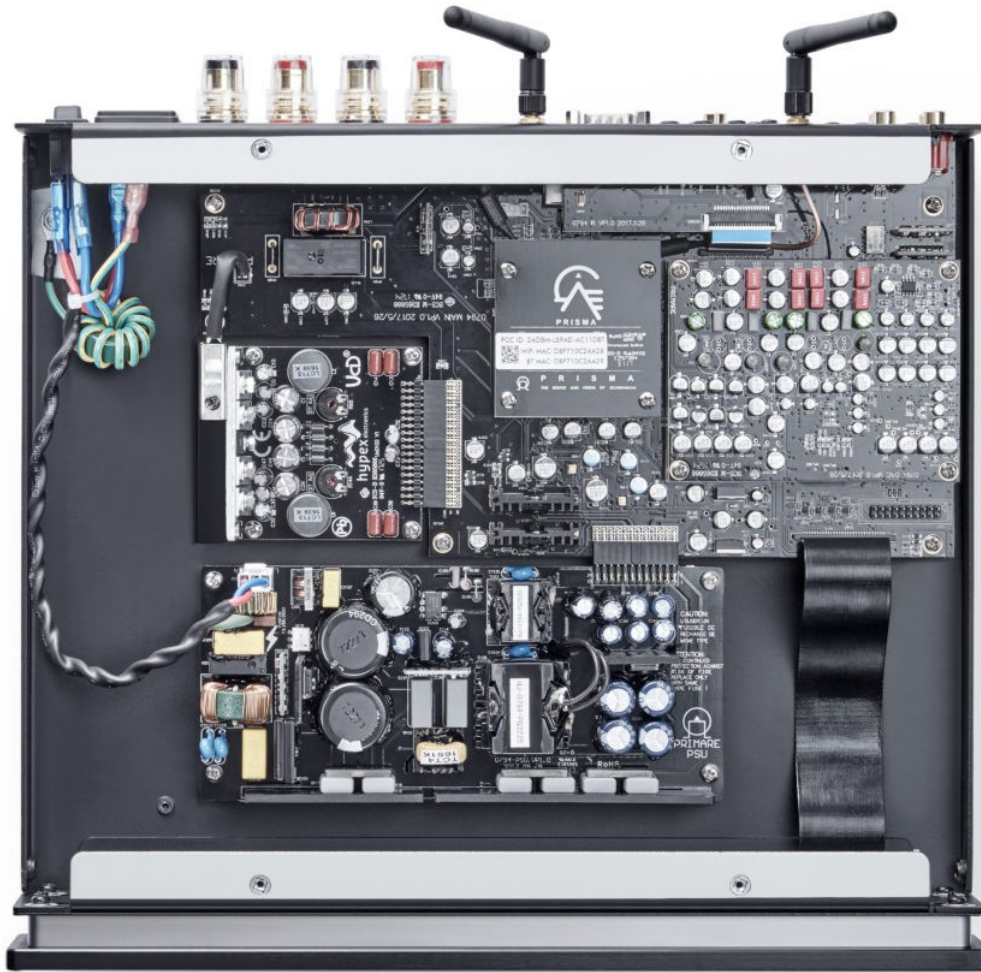

**AV Forums
Highly Recommended**

"...the specification, build and abilities of the Primare are very considerable and it means that this singular Swede comes Highly Recommended."

The compact I15 Prisma integrated amplifier continues a Primare tradition of delivering astonishing performance from compact and elegant devices for easy installation and virtually any living environment. With its three-quarter sized cabinet the I15 Prisma gives even greater possibilities for providing high quality music performance and access to any and every room in the house.

With watts 60 watts of power per channel coupled with the digital to analog conversion with up to PCM 384kHz and DSD 128 capabilities and management by way of the Prisma connectivity and control centre this unit will bring life to your music whether you love to stream, play CD's or love vinyl.

Technology

I15 Prisma integrated amplifier is a compact, full-featured system control and power center, providing 60 watts of power per channel, digital to analog conversion with up to PCM 384kHz and DSD 128 capabilities, as well as complete digital media access and system management by way of the Prisma connectivity and control technology.

Prisma

I15 Prisma features Prisma, Primare's new whole-home, high-fidelity control and connectivity solution. Prisma provides multi-room/multi-zone connectivity and control for playback of stored and streamed media, wired or wireless, all managed from any mobile device through a dedicated system control app. In addition to Bluetooth, AirPlay, and Spotify Connect, Prisma features Chromecast built-in, a unique streaming portal allowing effortless direct connection to hundreds of streaming applications for the best possible performance and user experience.
