Tweak your volume or panning and record automation on the fly with the eight knobs. Additionally, you can access your score log, and undo, redo, or quantize to the metronome in an instant with essential transport controls. Browse presets in your Image Line plug-ins to change up instruments and sounds fast, with no mouse needed. The scale mode makes sure you never hit a wrong note, keeping the music flowing. The three chord modes allow you to play a range of chords with a single finger, unlocking massive harmonies and new sounds instantly. FLkey 37 ships with a 6-month trial of FL Studio Producer.
