Smart Aesthetics

The DTS Play-Fi platform offers a wealth of music options from around the globe. Spotify, Tidal, HD Tracks, Deezer, Amazon Music, Napster, KKBox and Sirius XM, to name a few. Browse a radio guide with thousands of stations and podcasts, or stream from a home media server with DLNA compatibility.

QUAD Vena II Play borrows more than just looks from its sibling, the Vena II - utilizing much of the same high-specification design, including the ES9018K2M from the Sabre32 Reference DAC as well as the aptX Bluetooth connectivity, it has all the pure musicality of QUAD coursing through its very versatile circuitry.

Whole Home Audio

DTS Play-Fi sends audio from mobile devices to speakers throughout the home using proprietary streaming, synchronisation, and authentication technology.

Works with Every Device

Of course, your music is always close by. And we know you have all kinds of devices in your life. That's why DTS Play-Fi is built especially for smartphones, tablets, and PCs. We have easy-to-use software for Android, iOS, Kindle Fires, and Windows. We support streaming via Spotify Connect, too. Any way you want to play, it just works.

DTS Play-Fi comes with a wealth of music options from around the globe. Spotify, *Pandora, Deezer, Napster, KKBox and Sirius XM, to name a few. Browse a radio guide with thousands of stations and podcasts, or stream from a home media server. Stay tuned, because new services are added all the time. * Pandora is enabled for select Play-Fi products only.

Freedom of Choice

Every single DTS Play-Fi product works perfectly with all the rest, regardless of brand, so you get a huge range of options to customise your home, and one simple, elegant listening experience. DTS Play-Fi offers an unparalleled selection of audio products for your home, from compact battery powered speakers to powerful soundbars, built by the most respected audio brands in the business. No more compromising your style or taste to get a high-quality wireless audio solution.

Wireless Streaming Technology

DTS Play-Fi is premium whole-home wireless audio, now available from the largest ecosystem of brands in

the world. Stream your favourite content with astounding audio quality, from every device that you've got. All DTS Play-Fi products are seamlessly interoperable, so you can find the perfect speaker for every room, and know that they will all make beautiful music together.
