This extremely compact projector is equipped with 2 different light effects to create wonderful lightshows:
A LED Derby effect projecting powerful red, green, blue and white beams.

The 16 cold white LEDs create all kinds of strobe and blinder effects

The fabulous preprogrammed shows have different effect combinations that can be controlled in different ways:

DMX-control: via 1 or 5 channels.

Standalone: sound activated (internal microphone) or automatic at a the selected regular speed.

IR-remote: easy control of all shows and functions thanks to the included infrared remote!

Several Party Derby's can be connected in master/slave to create wonderful synchronized shows.

3-digit LED display for easy menu navigation.

Very low power consumption: only 21W max.!

IEC power in/out can be used to link several units (special cables optionally available)
