

JBL Stage A170 Black Podnostojeći Zvučnik

JBL Stage A170 Black Podnostojeći Zvučnik

Šifra: 16585

Kategorija proizvoda: Podnostojeći Zvučnici

Proizvođač: JBL

Cena: **35.880,00** rsd

Product description:

The Stage A170 is the most compact floorstanding speaker in the JBL Stage Series, designed and engineered at JBL's world-renowned acoustics engineering facility in Northridge, California. The narrow footprint features a 2½-way design with patented High-Definition Imaging (HDI™) waveguide geometry, 1" (25mm) aluminum dome tweeter and dual 8" (200mm) polycellulose cone woofers for the characteristic JBL bass.

Features:

2 x 5.25 inch (133 mm) polycellulose low frequency woofers

New HDI (High Definition Imaging) waveguide

1 inch (25 mm) aluminum dome tweeter

Technical specifications:

2.5 way, dual 5.25", 1" aluminum tweeter floorstanding speaker

2 x 5.25" (133 mm) polycellulose low frequency woofers

New HDI (High Definition Imaging) waveguide.

1" (25mm) aluminum dome tweeter

Recommended amplifier power: 20 - 200 W

Frequency Response: 44Hz - 40kHz

Sensitivity: 89dB at 1M, 2.83V

Nennimpedanz: 6 Ohm

Crossover frequencies: 1.8kHz, 2.8kHz

Enclosure Type: Bass Reflex via Rear-Firing Tuned Port

Abmessungen (B x T x H): 190 x 255 x 930 mm

Weight: 14.34kg
