

JBL Stage A190 Black Podnostojeći Zvučnik

Šifra: 16587

Kategorija proizvoda: Podnostojeći Zvučnici

Proizvođač: JBL

Cena: **35.880,00** rsd

Product description:

The Stage A190 is the flagship of the JBL Stage Series and was designed and engineered at JBL's world-renowned acoustic engineering facility in Northridge, California. This floorstanding speaker features a 2½-way design with patented High-Definition Imaging (HDI™) waveguide geometry, 1" (25mm) aluminum dome tweeter and dual 8" (200mm) polycellulose cone woofers designed for deep, characteristic JBL provide bass.

Features:

2 x 8" (203 mm) polycellulose low frequency woofers

New HDI (High Definition Imaging) waveguide.

1 inch (25 mm) aluminum dome tweeter

Technical specifications:

2.5-way, dual 8", 1" aluminum tweeter floorstanding speaker

2 x 8" (203 mm) polycellulose low frequency woofers

New HDI (High Definition Imaging) waveguide.

1" (25mm) aluminum dome tweeter

Recommended amplifier power: 20 - 225W

Frequency Response: 36Hz - 40kHz

Sensitivity: 91dB at 1M, 2.83V

Nennimpedanz: 6 Ohm

Crossover Frequencies: 1.4kHz, 2.0kHz

Enclosure Type: Bass Reflex via Rear-Firing Tuned Port

Abmessungen (B x T x H): 260 x 370 x 1070 mm

Weight: 22.56kg
