Orla Premium Features:

Each Orla digital piano offers the culmination of European style with quality build:

- * Full 88 note graded hammer action for outstanding playing comfort.
- * Premium quality European sound samples.
- * Designed in Castelfidaro, Italy by second generation instrument builders.
- * Useful in-built features like metronome, two headphone sockets, full three pedals, tuning adjustment, and twin piano mode for learning and practice fun.
- * 64 note polyphony to accommodate advanced playing.
- * Handy connections for versatile playing, like stereo line out and MIDI.
- * Quality in-built speakers for enjoyable playing.

Orla - The New Standard in Digital Pianos

Orla offers the culmination of European style; with instrument sounds sampled and modelled in the laboratory in Italy. Orla artists from Italy, England, Germany and Holland, make sure that the sounds are ideal plus that each rhythm arrangement on the grand piano models is exciting and musically rewarding to play. Orla is the perfect musical partner for the beginners and for the professional player alike.
