Šifra: 17019
Kategorija proizvoda: Hi-Fi Subwooferi
Proizvođač: JBL

Cena: **71.880,00** rsd

The JBL Studio 650P is a high-performance powered subwoofer utilizing a front-firing 10-inch PolyPlas cone woofer with dual down-firing tuned ports. A 250Wrms amplifier provides the sonic impact and a full complement of inputs and controls make for easy system integration. The elegant cabinet design includes a magnifically attached grille and brings an element of sophistication to any room. The Studio 6 Series delivers big dynamics, detailed sound, and powerful bass for true high-fidelity sound.

Top-graded PolyPlas cones

New, appealing form factor

Studio 650P

The new JBL Studio 6 speaker system is everything your inner audiophile was hoping for. Complete with advanced PolyPlas cones, powerful acoustics speaker drivers, and fitted with an all-new, high-definition imaging waveguide using a high-frequency compression driver, your home listening experience will never be quite the same.
