The  
JBL

Studio 625C is a center channel loudspeaker utilizing JBL's 2414H-1 1-inch compression driver mated to a High-Definition Imaging horn complemented by dual 5.25-inch PolyPlas cone woofers. The elegant cabinet design includes a magnetically attached grille and brings an element of sophistication to any room. The Studio 6 Series delivers big dynamics, detailed sound, and powerful bass for true high-fidelity sound.

The new JBL Studio 6 speaker system is everything your inner audiophile was hoping for. Complete with advanced PolyPlas cones, powerful acoustics speaker drivers, and fitted with an all-new, high-definition imaging waveguide using a high-frequency compression driver, your home listening experience will never be quite the same.
