**Cena: 19.920,00 rsd**

Bluetooth-compatible devices at the same time and seamlessly switch between them as needed. For example, you can be listening to a streaming video on your tablet, then take an incoming phone call without having to re-pair to each device.

### Dual Charging

You have two options when it comes to recharging the MC-60BT headphones. You can plug them into an optional USB-C power adapter or place them on the included wireless charging pad.

### Comfortable & Compact

The comfortable and compact design of the MC-60BT features a padded headband and earcups for long listening sessions, and a collapsible construction for easy storage and transport in the included hard carry case.

### Additional Features

Bluetooth 5.0 connectivity  
Built-in capacitive touch controls
