

MACKIE EM-95ML

Šifra: 17110

Kategorija proizvoda: Lavalier i Ostali Mikrofoni

Proizvođač: MACKIE

Cena: **7.080,00** rsd

Rather than plugging directly into your smartphone or camera, a common design that produces poor audio quality, the included amplifier keeps your audio clean while boosting the output. The portable amp is powered entirely by a long-lasting, USB-charged internal battery and sports connections for your mic, your audio destination, and your headphones, so you can directly monitor your audio recordings in real time. The EM-95ML also comes equipped with a USB-C charging cable, a 3.5mm cable for connecting to different capture devices, and a foam windscreen for protecting your lav from plosives and the elements.

When You Need Your Mic Close

When it comes to consistent sound for a single subject, a lavalier mic is often your best bet. Not only does it offer great sound, it is small and discrete, perfect when on camera. From cooking videos to mobile journalism, the EM-95ML is a great mobile lavalier microphone setup for content creators.

Creative Content, Amplified

The EM-95ML comes with a powerful, mobile amplifier that imbues your lav recordings with warmth and plenty of gain. This ensures that you have quality audio for your postproductions.

Clip-on amplifier is compact, portable, and attaches directly to your belt

Higher quality audio and great output levels with less noise

Adjustable gain onboard for dialing in the perfect audio

Internal lithium-ion battery with 250mAh for long-lasting performance

Up to 8 hours of battery life (depending on gain levels)

USB-C charging and bus power

3.5mm mic input, 3.5mm headphone output, 3.5mm TRS output for smartphones or cameras (TRRS adapter included)

Mackie EM-95ML Specs

Microphone

Primary Applications Podcast, Web-Streaming, Recording to Mobile Device, ENG (Electronic News Gathering), Audio for Video, Field Recording, Corporate Presentation

Form Factor Lavalier / Mobile Device Mic

Intended Sound Sources Speech/Voice Over

Sound Field Mono

Operating Principle Pressure Operated

Capsule 1 x Condenser

Polar Pattern Omnidirectional

Circuitry Solid-State

Pad None

High-Pass Filter None

Tone Adjustment None

Gain Adjustment Yes

Indicators 1 x Red Single LED (Charging)

On-Board Controls Gain/Sensitivity, On/Off

Windscreen Foam (Included)

Performance

Frequency Range 50 Hz to 20 kHz

Impedance 2.2 Kiloohms

Sensitivity -41 dB

Signal-to-Noise Ratio 75 dB

Connectivity

Output Connectors (Analog) 1 x 1/8" / 3.5 mm TRS Female (on Preamp)

Inputs 1 x 1/8" / 3.5 mm Female

Headphone Connector 1 x 1/8" / 3.5 mm

Power

Operating Voltage 3.7 V (Battery Power)

5 V (USB Bus Power)

Battery Type 1 x Built-In (Included)

Battery Chemistry Lithium-Ion

Battery Capacity 250 mAh / .925 Wh

Approximate Battery Life 8 Hours

Physical

Color Black

Mounting Alligator Clip (Included)

Mounting Thread Size Included Mount Has No Threading

Included Case None

Included Filters None

Certifications FCC Part 15, ICES-003, WEEE
