

MACKIE EM-99B - Studijski mikrofon

Šifra: 17109

Kategorija proizvoda: Podcast i USB Mikrofoni

Proizvođač: MACKIE

Cena: **15.480,00** rsd

The integrated, single-axis suspension reduces vibration noise, while an internal pop filter reduces pops and plosives to ensure your best-quality recordings. With an all-metal body, durable XLR connection, and robust mount, the tank-like EM-99B is built to last. A high-quality desktop stand is included, allowing you to record right out of the box.

- Cardioid dynamic broadcast microphone
- Professional XLR connection
- No power required
- High sensitivity (-53 dB)
- Dialogue-optimized frequency response (50 Hz to 16 kHz)
- Single-axis suspension suppresses vibrations
- Internal foam pop filter
- Rugged, durable metal body
- Foam windscreen included
- Weighted desktop stand included
