Zeppelin, a wireless smart speaker reimagined for the streaming age. Its elegant form combines highresolution stereo sound with a comprehensive range of smart, connected features and services.

# Introducing

The new Zeppelin The Beauty of Sound

# The Zeppelin you've

#### always wanted

Why choose between a product with the features you need and a beautiful design with the sound you want? Have them both...

# The music you love,

#### instantly

Zeppelin can stream from Apple® AirPlay 2®, Bluetooth aptX<sup>™</sup> Adaptive and Spotify Connect – plus the Bowers & Wilkins Music App.

# **Driven by excellence**

The Zeppelin uses drive units shared with proprietary Bowers & Wilkins loudspeaker designs. Nothing else comes close.

# Connected, smart,

#### intuitive

Zeppelin has Alexa built-in: just ask for your favourite song. It's upgradeable too, so as new services appear, you're covered.

# Hi-Res sound

With built-in access to a wide range of streaming services, you can enjoy your favourite music in up to 24bit high-resolution quality from Deezer, Qobuz, TIDAL and more. You can access podcasts and radio stations too, all with seamless control via the Bowers & Wilkins Music app.
