

Ashdown Original C115-300-NEO - Bas pojačalo

Ashdown Original C115-300-NEO - Bas pojačalo

Šifra: 17407

Kategorija proizvoda: Combo Bas Pojačala

Proizvođač: Ashdown

Cena: **97.800,00** rsd

Power Output - 300 Watts

Power Requirement - 115-230 Volts

Speaker Configuration - 1 x 15 inch

**High Instrument Input - Impedance 3.9m Ohms,
input range 150mV - 20mV p-p**

**Low Instrument Input - Impedance - 1M ohms,
input range 150V to 10v p-p**

**Line Input - Impdance 10k Ohms, input range
300mV - 40V p-p**

**DI Output - 600 Ohm balanced / Level -20dBu
nominal**

Impedance - Minimum 4 Ohm

**Headphone Output - Yes and safe for silent
practice**

**EQ - Bass +/-15dB @ 100Hz, Lo Mid +/-15dB @
220Hz, Middle +/-15dB @ 660Hz, Hi Mid +/-15dB
@ 1.6kHz, Treble +/-15dB @ 7kHz**

**Effects Send - Impedance 22k Ohm / Level 0dBu
nominal**

**Effects Return - Impedance 22k Ohm / Level 0dBu
nominal**

H x W x D (mm) - 472 x 468 x 378

Weight (kg) - 16.3kg

Simple yet Powerful EQ

With the signal at its optimal level, you then hit a defined set of features designed enhance your tone. The OriginalAL features a tried and tested 5-band EQ, controlling your traditional bass, middle and treble with a lo-mid and hi-mid sitting comfortably either side of the variable middle control. The additional Shape control further sculpts your tone, lifting the frequencies that really count – like a smiley face on a graphic

equalizer.

Tonally Connected

The output control regulates the output volume of the amp and wrapping up the features on the front panel is an easy to reach DI output, as well as an independent FX send and return, which allows the amp to set a very clear signal path with no interruptions.

Create the Perfect Rig

To the rear of this condensed unit is a very well considered headphone out, which doubles this gig-ready head as a great home practice device. 2 x jack speaker outputs with a minimum 4 ohm load allow an extra 8 ohm cabinet to be added.

Ready for the Road

The OriginAL is a rugged little go-getter, using scuff proof paint over its steel & alloy chassis. Retaining a nice yet practical weight to it, with quality feeling control pots, The OriginAL is built to last a lifetime. Offered with a 5 year warranty, The OriginAL comes complete with auto protect voltage for global touring musicians and an adaptive temperature controlled fan for road and studio use.
