Heavy duty tolex and chrome metal corners will keep the Studio 8 protected and looking stylish for years to come.

The Studio 8 has everything you need to establish great tone straight out of the box, with the EQ set at 12 O'clock the NEW Studio Range sounds as you would expect from an Ashdown, warm yet articulate.

Constructed using super lightweight poplar ply and a lightweight 8" speaker the Studio 8 really does cut the weight but not the tone.
