UPGRADE YOUR AUDIO EXPERIENCE THE MACKIE STUDIO LEGACY

Utilizing our decades of experience designing gear for the world's top artists, we have created earphones that present your favorite music with stunning detail and warmth that remain faithful to the artist's studio sound. Available in two models, the CR-Buds, and the dual driver CR-Buds+, CR-Buds Series earphones are designed for maximum comfort and rich full-range audio with signature Mackie style.

Pro Form Factor

With an over-ear design, these offer an ultra-secure fit that will stay put even with some serious headbanging, if that's your thing

Professional Fit

With three different sizes of silicone and foam ear tips included, you can choose what works best for your ears for maximum comfort, sound isolation, and bass response

Dual Precision Drivers

Featuring dual dynamic drivers, CR-Buds+ earphones offer incredible depth and a wide soundstage for a true reference quality sound while providing incredibly punchy low-frequency response.
