## Audeze Maxwell Xbox bežične gaming slušalice

Šifra: 17804  
Kategorija proizvoda: Headsets i Gaming  
Proizvođač: AUDEZE

**Cena: 42.720,00 rsd**

Audeze Maxwell Xbox bežične gaming slušalice **80+ Hour**

**Battery Life**  
**Charge 20min to Play All Day**

### Ultra-Low Latency Wireless

Play confidently with reliable stability and 3X the range versus standard 2.4GHz wireless, keeping you in sync with the action on-screen. Enjoy lossless-quality high-resolution audio with the latest in wireless technology, compatible with LC3plus, LE Audio, and LDAC. Switch seamlessly between multiple devices with Bluetooth Multipoint.

### Stunning Spatial Audio

Experience unparalleled audio with deeply immersive sound from the experts at Dolby Labs. Maxwell for Xbox includes a Dolby Atmos license ready to activate on your device. Download the Dolby Access app to personalize your spatial audio experience.

### A.I. Noise Filtering Microphones

Get crystal-clear communications from Audeze's FILTER noise reduction technology. Using a dedicated A.I. processor, background noise is removed instantly and automatically on any platform. The detachable boom microphone and on-board beamforming array make sure your voice is always heard.
