### processing

Px7 S2e combines a 24-bit DSP, enhanced with learnings from our flagship Px8 headphones, with custom-designed 40mm drive units, carefully angled inside each earcup for a truly focused, engaging listening experience.

### Unrivalled sound

Experience your music exactly as the artist intended with the unrivalled sound of the new Bowers & Wilkins Px7 S2e headphones. Immerse yourself in every detail of every performance. Hear what your music really sounds like. Hear True.

### ANC and crystal-clear call quality

Px7 S2e uses a total of six microphones for outstanding noise cancellation and pristine call quality. ANC shuts out unwanted intrusions yet does no harm to the dynamics and energy of your favourite music, while careful positioning and angling of the microphones ensures excellent call quality, even in noisy environments.

### Premium design, perfect fit

The best sound deserves the best fit and finish. Px7 S2e has been carefully designed for comfortable, extended listening, with luxurious memory foam earpads that perfectly encapsulate and cushion your ears. Combined with its elegant fabric finish and lustrous metal detailing, you'll love to wear Px7 S2e all day long.
