MARSHALL SIGNATURE SOUND

Built with one 2" full range driver and two passive radiators, Willen brings you the heavy Marshall sound you can't live without. High-fidelity Marshall tuning and solid instrument separation stands Willen head and shoulders above its competition. Power your music with Marshall signature sound every single time, even when the session isn't planned.

ICONIC & RUGGED DESIGN

Willen brings together the iconic Marshall design with a ruggedness that dares you to push its limits. This compact powerhouse is the ultimate on-the-go speaker that makes sure your music is king. Willen is raring to go wherever you go.

15+ HOURS OF PORTABLE PLAYTIME

Willen is ready to roll whenever you are with a hefty 15+ hours of portable playtime on a single charge. Whenever you need to top up its battery, 3 hours of charging will bring it back to full power.

DUST AND WATERPROOF (IP67)

Designed to shake off the elements. This outdoor speaker couldn't care less about what you throw at it with its top-of-class IP67 dust and waterproof rating. It's always ready for the road, rain or dirt won't stop the session.

FASTENING STRAP

Willen is the ultimate multi-purpose speaker with its flexible positioning. Stand it up, lay it down, fix it to an object or let it hang out with its rubber back-mounted strap. Attach Willen anywhere you can think of and share your music with anyone who wants to hear it.

BUILT-IN MICROPHONE

Make sure your voice is heard with Willen's built-in microphone. Answer and reject calls using the front-

mounted control knob and enjoy some hands-free chat. Whether you're taking a quick work call or video chatting with friends around the world, Willen will make sure no one misses a word.

MULTI-DIRECTIONAL CONTROL KNOB

Enjoy a more hands-on music listening experience by using Willen's front-mounted multi-directional control knob. You can play, pause, skip tracks and adjust the volume of your speaker, as well as turn it on or off.

APP COMPATIBLE

The shortest distance between you and your music is Willen – just pair and play without any complicated set-up. Connect with Bluetooth 5.1 and control your music in the dedicated Marshall app. If you want to adjust your sound, you can choose between three equaliser presets. With Willen, no heavy thinking is required, just heavy listening.
