

## Mackie DRM-18S

Šifra: 18533  
Kategorija proizvoda: Aktivni Subwooferi  
Proizvođač: MACKIE

Cena: **155.880,00** rsd

High-efficiency 2000W Class-D amplifier offers ample headroom for professional applications

Universal power supply (100-240 VAC) with Power Factor Correction technology ensures consistent performance even with unstable AC power  
Next-gen protection circuitry keeps transducers safe and ensures peak performance in all applications

### Advanced Impulse™ DSP Module

Precision acoustic correction delivers reference quality sound that is consistent even at high SPL

DRM Control Dashboard™ features a high-resolution full color display for easy single-knob access to configuration, processing, and more

View current crossover setting, high-resolution metering, and more from a single overview window  
User adjustable variable crossover point allows for matching to any speaker system plus a DRM specific mode tailors DRM18S for full-range DRM loudspeakers  
Save and recall up to 6 user presets for various applications and venues  
Cardioid mode allows for easy setup of a directional subwoofer array  
Screensaver plus dimmer and contrast control  
Polarity Invert  
Alignment Delay control for delay stacks  
System lock with 4-digit passcode

Dual independent input channels with Full-Range Direct and High-Pass outputs

### Premium components

Road-worthy 18mm plywood construction and internal bracing offers optimal acoustic performance with a touring-grade textured coating and powder-coated heavy gauge steel grille  
18" High-excursion woofer offers increased bass response, low distortion, and professional reliability to withstand the most demanding applications

### Acoustic design with no compromises

Ample internal volume and precision tuned ports naturally deliver the bass you need with minimal distortion

### Versatile configuration options

Flyable via optional FB100 Fly Bar and FKDRM18S Flyware Kit  
M20 threaded pole attachment for use with DRM Series loudspeakers and other pole mountable speakers

Max SPL: 135 dB  
90 lb / 40.8 kg
