At its heart lies a custom-designed 15" Blue Line speaker, offering a harmonious blend of power and precision. Whether you're grooving in a cosy club or rocking a massive stage, this cab fills the room with thunderous, punchy bass. What sets the ABM-115H apart is its switchable horn tweeter, allowing you to tailor your high-end frequencies with precision. No matter your musical style, you'll find the perfect balance between thunderous lows and sparkling highs.

Built to endure the demands of touring, this cabinet boasts rugged buffalo leather cloth covering, sturdy metal corners, and a steel grille. Its front-ported design ensures maximum dispersion, while the two Speakon/Jack inputs provide versatility in connecting to your amplifier. With 300 watts handling power at 8 ohms, the ABM-115H is your ticket to a commanding bass presence, night after night. Elevate your sound with Ashdown's ABM-115H Compact Bass Cab - the choice of professionals worldwide.
