

IsoAcoustics GAIA II

Šifra: 18715
Kategorija proizvoda: Ostalo
Proizvođač: IsoAcoustics

Cena: **35.880,00** rsd

Dimensions (W x H)
2" x 1.7" (51mm x 43mm)
Maximum weight

120lbs (54kg) per set of 4
Quantity
4 per box
Thread sizes included*
M6-1.0, M8-1.25 and ¼"-20

About GAIA II speaker isolators

GAIA II is designed for floor standing speakers and subwoofers weighing up to 120 lbs (54Kg). Finished in an elegant machined dark chrome metal housing, the GAIA II incorporates IsoAcoustics' patented design principles to deliver extraordinary acoustic results. GAIA II provides a high degree of isolation while resisting lateral movement and oscillations to maintain alignment with the listening position. Internal reflections from the hard-supporting surface are attenuated resulting in greater sound clarity and openness.

The sound stage blossoms to open up a three-dimensional image of natural, spatial sound.

Designed for floor standing speakers weighing up to 120 lbs or 54kg, the GAIA II will provide more openness and clarity, while reducing structural borne noise.
