New

ground-up C3 (pronounced 'C-cubed') Continuous Curved Cone™ mid/bass profile ensures superior bass dynamics and smoother integration with the high frequency driver.

Based on design principles found in the newest Concept series, the hermetically sealed high frequency driver unit is mechanically isolated from the baffle, preventing modulation from the mid/bass driver.

Low colouration cabinets with P2PTM (Point to Point™) bracing, minimising low-end reverberation to improve the stereo image and soundstage.

Boasts a clean and contemporary aesthetic with sophisticated satin metallic driver trims.

Available in four new finishes: Pin Oak, Claro Walnut, Satin White, Satin Black.
