Mediterranean Resonance

Immerse yourself in the sonic richness of the Guitar 6 Olivo, meticulously crafted in the exquisite olive wood, a native treasure of the Mediterranean basin. Bright tones, robust midrange projection, and sharp clear high notes define its distinctive sound. Experience the unique warmth that only olive wood can offer, transporting you to the vibrant lands of the Mediterranean with every chord. Elegant and Ergonomic Design

Delve into the exceptional craftsmanship of the Guitar 6 Olivo, where elegance meets comfort. With a slow-growth, deep-rooted olive wood body and sides, this guitar is not just a sonic masterpiece but also a visual delight. Enjoy a comfortable string action and an ergonomic Samanguila wood neck, providing a smooth and pleasurable playing experience. The ebony interior reinforcement ensures durability without compromising resonance. Quick Response for Your Creativity

When inspiration strikes, the Guitar 6 Olivo responds with exceptional speed and brilliance. Ideal for standing out in accompaniments or melodies, this guitar becomes your musical ally in any situation. The cedar top, along with olive wood sides and back, creates a perfect balance between definition and clarity. Discover the freedom of musical expression with a guitar designed to elevate your creativity to new heights.
