FOCAL Aria 936 Premium Walnut Podnostojeći Zvučnik

FOCAL Aria 936 Premium Walnut Podnostojeći Zvučnik

Šifra: 12551

Kategorija proizvoda: Podnostojeći Zvučnici

Proizvođač: Focal

Cena: **143.880,00** rsd

These 3 way loudspeakers are an elegant design in a small footprint. With three woofers these speakers provide remarkable results, they are naturally intended for listening in stereo. However they will guarantee you a truly outstanding 5.1 system when used with the CC 900 centre speaker and a pair of SR 900 rear speakers. Appropriate for rooms measuring from 270ft² (25m²) and from a listening distance of 10-12ft (3m - 3.5m)

TNF Tweeter not found or type unknown

TNF Tweeter

For the TNF tweeter, Focal have brought two major evolutions to their aluminium/magnesium tweeter. The suspension between the dome and its bracket uses Poron, a material with shape memory. The inverted dome's spatial characteristics and very low directivity already make it greatly superior. The frequency response has a variance of +/- 0.5 dB. This performance guarantees an incredibly stable sound stage which makes the listening position much less critical.

Flax Cone

Image not found or type unknown

Flax Cone

Focal cones are made of high-quality flax fibres core enclosed by two thin layers of glass fibre. They satisfy the key criteria of a high performance diaphragm high internal damping, high velocity of sound and high flexural rigidity. The cones are characterised by their natural sound, with low colouration, their richness of reproduction in the midrange

register and their
tighter bass.
Sandwich Technology

Image not found or type unknown

Sandwich Technology

Flax is twice as
light as fibre
glass, because
the fibre is
hollow. It is
aesthetically
beautiful and
also has very low
elasticity which
makes it ideal to
increase the
flexural rigidity
of a sandwich
structure.

Moreover, it can
be obtained in
non-woven
bundles of
considerable
diameter and it
can therefore
produce the
thickness
required for a
sandwich.

Aria Design

Image not found or type unknown

Aria Design

Aria has been
conceived as an
elegant piece of
home furnishing;
simple, with
great stature,
quality materials
and soft shapes
which capture
the light and
resist the
passage of time.
The glass on its
upper face for
strength, the
leather finish to
its front face for
its absorbent
and acoustic
diffraction
qualities.

Type	Three-way bass-refle
Speaker drivers	Three 6.5" (16.5cm) 6.5" (16.5cm) Flax m 1" (25mm) Al/Mg TN
Frequency response (+/- 3dB)	39Hz - 28kHz
Low frequency point - 6 dB	32Hz
Sensitivity (2.83V / 1m)	92dB
Nominal impedance	8 Ohms
Minimum impedance	2.8 Ohms
Recommended amplifier power	50 - 300W
Crossover frequency	260Hz / 3100Hz
Dimensions (H x W x D)	1150 x 294 x 371mm
Weight	64lbs (29kg)
