Flat and very flexible HDMI cable

Tin-plated and 99.99% oxygen free copper (**OFC**) conductors, flat cable, double shielding, molded plugs, gold contacts, many available lengths, 1 male HDMI plug / 1 male HDMI plug.

Excellent performance in Full HD and in **3D** even on large lengths. Connection optimized by the spacing of data channels, which are no longer concentric, but side by side. Very flexible flat cable facilitates connections.
