

Biamp Apart HM25-G

## Biamp - Apart HM25-G

Šifra: 11130

Kategorija proizvoda: Horn Zvučnici

Proizvođač: Biamp - Apart

Cena: **11.400,00** rsd

The HM25-G is equipped with a high quality 100 volt transformer with three power taps, including a thermal overload cut-off switch. The Apart technology avoids any overload of your amplifier by controlling the impedance with the unique IMC protection device inside. This circuit controls the speaker's impedance even beyond its nominal frequency range and protects your 100 volt amplifiers from overload. The double cable glands allow easy wiring and connection of the HM25-G. The housing is totally weatherproof and its supplied.
