## MACKIE HR824MK2

---

Šifra: 6390

Kategorija proizvoda: Aktivni Studijski Monitori

Proizvođač: MACKIE

Cena: **87.480,00** rsd

The cast-aluminum Zero Edge Baffle keeps diffraction to a minimum for excellent imaging; the optimized waveguide provides a wide sweet spot; and the integral cabinet damping eliminates midrange artifacts. The internally braced wood cabinet is OmniMount ready, allowing it to be mounted easily on a wall or ceiling.

The rear panel of the cabinet has XLR, TRS, and RCA input connectors for compatibility with virtually any audio gear you can throw at it. Controls for LF and HF filters, along with acoustic space matching allow you to customize the monitor to your specific workspace for optimum performance.

The HR824mk2 features a download of ProTools | First software and The Musician Collection plug-in package including 23 high-quality plugins with BBD Delay, Level Lite, 304E EQ, and 304C Compressor. To authorize the software, simply input the mixer's serial number on the website.

## Feature Highlights

Two-way active studio monitor for high-definition audio

THX pm3 approved for surround mixing

Full, ultralinear frequency response for accurate mixing

Large 8.75" woofer and 1" tweeter

Two internal amplifiers for a combined total power of 250W RMS

Passive radiator for tight and extended bass

Aluminum Zero Edge Baffle keeps diffraction to a minimum for excellent imaging

Optimized waveguide for a large sweet spot

Cabinet has full internal damping for eliminating artifacts

Rear-panel controls for HF and LF filters, as well as acoustic space selection

XLR, TRS, and RCA connectors for wide system compatibility

OmniMount ready, for easy installation on a wall or ceiling

High-gloss piano black wood cabinet provides great looks and a warm sound

## Professional Production Content

Included Software from Avid, including Pro Tools | First and plug-ins

An industry standard for decades, Pro Tools | First is easy enough for beginners yet sophisticated enough for experienced musicians. Get many of the same tools used by your favorite artists and recording studios. And now you can collaborate online with anyone, anywhere, and create at the speed of your imagination. Available for macOS and Windows operating systems

In addition to the powerful plug-ins within Pro Tools | First, this mixer comes with the exclusive Mackie Musician Collection featuring 23 fantastic plug-ins, including:

Avid 304E  
EQ: Add musical warmth with a treble and bass equalizer with sweepable mid control  
Avid 304C  
Compressor: Tweak the clarity, balance, and rhythmic feel of music with this optical-modeled compressor
