Kategorija proizvoda: Outdoor Zvučnici
Proizvođač: KEF

Cena: 20.280,00 rsd

mounting bracket & grille system for years of listening pleasure, regardless of the weather.

KEF Ventura 5 Black speaker offers greater performance than any other speaker available in your yard. It's available in three models: 5, 4 and 3. Each model features a powder coated aluminium cabinet.

Perfect for outdoor listening, the KEF Ventura 5, yet also available in 4 and 3 models. It's also perfect for pool, or on a patio. It's made of three compact ABS and aluminium components.

Featuring an integrated mounting bracket with up to 180 degrees of lateral adjustment, optimum placement is simple. Two additional brass threaded inserts on the rear of the enclosure provide even more mounting options. Because they're from KEF, you can be sure the Ventura range is voiced for clarity and impact specifically for an outdoor setting.

All Ventura models feature a fluid cooled anodised aluminium dome tweeter which delivers smooth high frequency, and an injection moulded, low-distortion long throw woofer with rubber surround for deep, authoritative bass that is sure to pack a punch. Both drivers integrate flawlessly to deliver the sonic perfection KEF is famous for the world over.

High performance 'All Weather' outdoor speaker.

High power handling, fluid cooled, anodised aluminium dome tweeter.

Long-throw woofer with injection moulded cone and rubber surround.

Weather resistant, UV treated, high impact, sealed ABS composite enclosure.

Powder coated rust proof aluminium bracket and grille.

Ratcheting mounting bracket for up to 180 degree rotation.

Two 1/4 - 20 brass inserts included for use with aftermarket mounting brackets
