Proizvođač: Klipsch

Cena: **11.880,00** rsd

#### R-1800-C Architectural Speaker

Perfect for those who want excellent performance, reliability and durability at an affordable price, the R-1800-C brings dynamic acoustic performance to both home and commercial environments.

Good sensitivity and power handling

Paintable to match ceiling

Package

The R-1800-C employs an 8-inch polymer-cone woofer and a large motor structure for high sensitivity. A coaxially mounted 1-inch polymer-dome tweeter distributes smooth, clear highs over a wide area.

The speaker's mounting system makes installation a breeze, while its paintable aluminum grille provides added rust protection in moisture-prone areas such as bathrooms, kitchens and saunas.

While the R-1800-C will fit into our latest IK-800-C installation kit, it can also be used in conjunction with the ME-800-C fire-rated enclosure.

#### Specifications

FREQUENCY RESPONSE	56Hz-20kHz +/- 3dB
POWER HANDLING	40 watts (160 watts peak)
recommended amplifier power	80W
SENSITIVITY	89dB @ 2.83V/1 meter
NOMINAL IMPEDANCE	8 ohms compatible
DRIVE COMPONENTS	Two-way system using one 1" (2.5cm) polymer dome, tweeter and one 8" (20.3cm) poly woofer
DIMENSIONS	11" (27.9cm)
CUTOUT DIMENSIONS	9.8" (24.9cm)
INSTALLATION KIT	IK-800-C (sold separately)
WEIGHT	5.8 lbs (2.6 kg)
ACCESSORIES	ME-800-C fire rated enclosure (sold separately)
BUILT FROM	2006
