### WIRELESS MULTI-ROOM READY

The Klipsch Reference RSB-8 sound bar is part of the Klipsch Stream Wireless Multi-Room System: an all-encompassing solution for distributing audio throughout your home. Listen to internet radio stations, streaming services, your personal digital music library, CDs, DVDs, etc. For a list of supported streaming services, visit [www.klipsch.com/stream](http://www.klipsch.com/stream). Download the Klipsch Stream app (available for iOS or Android), connect the RSB-8 to your Wi-Fi network, and enjoy. Expand your system to add multiple rooms of audio in your home with other Klipsch Stream Wireless Multi-Room Audio products.

### TRUE 2-WAY BI-AMPLIFIED SOUND BAR

Two 3/4" horn loaded textile dome tweeters with 90° x 90° Tractrix® horns deliver crisp highs, while two 2 3/4" woofers round out the enhanced sound with clear vocals and dynamic soundtracks. Includes DSP-controlled crossover via separate amplifier channels for tweeter and woofer.

### HDMI 2.0 FOR 4K VIDEO PASS THROUGH

Whether or not you already have a 4K TV, the Klipsch Reference RSB-8 sound bar is the best choice for superior sound. One HDMI 2.0 input with HDCP 2.2 compatibility provides for easy connection of your cable/DSS box, Blu-Ray player, and gaming system. One HDMI cable out to your TV provides for a superior picture. One HDMI cable is included.

### OPTICAL AND ANALOG AUDIO INPUTS

If you haven't made the jump to a TV with HDMI yet, we've included an Optical Digital (TOSLink) and Analog input.

### BUILT-IN DOLBY AUDIO® DECODING

Dolby Audio decoding provides crystal clear audio and prevents jumps in volume as you switch content or go from broadcast programs to commercial breaks.

### 6.5-INCH WIRELESS SUBWOOFER

A 6.5-inch downward-firing driver and professionally-tuned ported cabinet delivers earth-shaking bass worthy of a movie theater.

COMPATIBLE WITH MOST BLUETOOTH® WIRELESS

### ENABLED DEVICES

Including mobile phones, audio devices, and computers for wide-ranging use.

#### **VIRTUAL SURROUND MODE**

Klipsch optimized surround sound.

#### **DIALOGUE ENHANCE MODE**

volume for enhanced vocal clarity without increasing ambient sounds.

#### **NIGHT MODE**
