

KLIPSCH S1 Surround zvučnici

Proizvođač: Klipsch

Cena: **11.880,00** rsd

The Synergy Series S-1 surround speaker is the smallest of its kind to utilize Klipsch's exclusive Wide Dispersion Surround Technology™ (WDST),

Two Tractrix® Horn loaded aluminum-dome tweeters

One 4-inch IMG woofer

The S-1 delivers amazingly realistic performances through the careful positioning of two Tractrix® Horn loaded aluminum-dome tweeters and one 4 inch IMG woofer. By aligning the two horns at 90 degrees with respect to each other, along with the front firing woofer, the S-1 smoothly covers a 180-degree horizontal arc, allowing maximum placement flexibility.

Available in a black finish with titanium accents, the contemporary look of the S-1 is two-fold. With its grille on, the S-1 offers a sense of elegance that nicely blends in with your home décor, but take the grille off and you get an aggressive and powerful statement that exudes extreme performance.

This impressive surround delivers the performance of speakers twice its price by creating enveloping sound that places you in the middle of the action, as well as correctly localizing specific sounds so that what you hear matches what you see on the screen.
