

JBSYSTEMS LED-PAR20-8W-WW-24D

Šifra: 11458
Kategorija proizvoda: Led
Proizvođač: JBSYSTEMS

Cena: 2.500,00 rsd

Thanks to the special anti-glare lens the lamp looks exactly like a halogen lamp!

DIMMABLE: can be used with most dimmers for traditional and halogen lamps!

Very long life and VERY LOW POWER consumption compared to halogen lamps!

High light output: 530 lm

No UV or IR radiation

Direct replacement for 230V halogen PAR20 lamps with E27 socket.

Pleasant warm white light (3000K) and high CRI-factor

Beam angle: 24°

High Power factor: PF >88

The heat sink can be cut for mounting in certain PAR20 fixtures
