

JBSYSTEMS LED-PAR30 12W

Šifra: 11121
Kategorija proizvoda: Led
Proizvođač: JBSYSTEMS

Cena: 3.000,00 rsd

Direct replacement for 230V halogen PAR30 lamps with E27 socket.

Pleasant warm white light (3000K) and high CRI-factor

Beam angle: 24°

High Power factor: PF >88

DIMMABLE: can be used with most dimmers for traditional and halogen lamps!

Very long life and VERY LOW POWER consumption compared to halogen lamps!

High light output: 740 lm

No UV or IR radiation

Thanks
