The LEDJ Funky Floor is guaranteed to make any party come alive. These 1000mm panels contain 4 x individual coloured squares which are divided again into 8 x individual triangles and controlled separately via any DMX controller. The panels also feature Stand Alone, Master/Slave, Auto and Sound activation. Additional control can be achieved by using the FF-1 controller. So whether you want to be John Travolta for the night or be the next Supermodel on a Catwalk the Funky Floor will make you stand out in the crowd.
