Cena: **16.680,00** rsd

Condenser lavalier microphone (omnidirectional) für theatre, musical, film and TV applications

Vocals, speech
Theatre, musicals, film and theatre applications

The MCE 60 has been designed for unobtrusive miking of speech and vocals. Therefore, it is suitable for film, TV and theatre applications. Its omnidirectional polar pattern reduces popping and its construction eliminates handling noise. The microphone attaches via a microphone clip to clothing. Due to its small size, it can easily be concealed in the hair or in makeup for theatre applications. In addition to the use with amplifiers and recorders, this microphone is well suited for the connection to beyerdynamic's wireless systems.

Features

Extended frequency response

Omnidirectional polar pattern, independent of frequency

Light weight

MCE 60.18, cable with 4-pin mini-XLR connector for TS 100 Mk II, TS 300, TS 600, TS 800 (M), TS 900 C, TS 900 M, and pre-amplifier CV 18
