

MARTIN WISMAN MTX 8 RC LINE WHIT

Šifra: 12052

Kategorija proizvoda: Oprema za instalacije

Proizvođač: Martin Wisman

Cena: 8.280,00 rsd

Specifications

- * The MTX 8 RC LINE WHIT remote control with audio input module is connected with MTX 808 through universal industrial standard CAT 5 for each eight zone's volume adjustment or remote line and microphone input at a remote and different location from the control center.
- * Each controller provides eight RJ45 ports for the remote control with audio input module.
- * The CAT 5 wiring is not only featured of cost-effective, convenient layout, but also integration of RS 485 communication, audio transmission and DC 24V power supply together.
- * Remote line by dual RCA and mic by XLR inputs with gain controls.
- * Zone LED indicator with up/down buttons.
- * Volume control is provided for overall output level control.
- * DC 24V power supply from controller, low power consumption 5W.
- * Extra DC 24V power supply is needed when communication distance is more than 50 meters.
- * Analog to digital conversion working principle to adjust controller's volume.
- * Metal mounting box is supplied.
