

MARTIN WISMAN MXR 800

MARTIN WISMAN MXR 800

Šifra: 12049

Kategorija proizvoda: PA Predpojačala

Proizvođač: Martin Wisman

Cena: **33.480,00** rsd

Standard machine cabinet type 1 U height design, black aluminum oxide drawbench panel.

With 8 inputs interface which can be converted independently, adopting European style terminals.

One independent accessory input interface, adopting European style terminals.

With line and mic selective switch for each channel, output to AUX connector.

Knob input level can be controlled independently in each channel.

Knob is independently controlled in main output and auxiliary output.

With LED output indicator on panel, and with earphone output function.

1-8MIC/ Line - 0.25mV/5KΩ balanced, ±7.75V/5KΩ balanced
AUX1 RCA In - ±0.775V/20KΩ unbalanced

Output Level/Impedance

Master 1, -2 - +4 dBμ/440Ω balance (MAX:±7.75V)

Main Output MIC Pad - -50 dB

Low Cut - 18 dB/octave at 100 Hz

Frequency Response

Less Than - -1dB(20Hz~20KHz)

S/N Ratio

MIC - More than 60dB

Line - More than 75dB

THD

MIC - Less than 0.05%

Line - More than 0.03%

Cross-talk

MIC - More than 60dB

Line - More than 75dB

LIMITER/COMPRESSOR

Threshold Adj. Range - -20 dB to +20 dB

Ratio Adj. Range - 0 to 100%

LED Bar Graph - -18, -12, -6, -3, 0, +3, +6, +12VU (0 VU = +4 dB) Average or Peak reading

Power Consumption

Power - 20W

Power Supply - ~110V/60Hz or ~230V/50Hz

Dimensions - 484x190x44mm

Weight - 3.9Kg
