

NAIM NAIT 5si Integrisano Pojačalo

Šifra: 10207

Kategorija proizvoda: Integrisana Pojačala

Proizvođač: Naim

Cena: **143.880,00** rsd

Stanje proizvoda: Potpuno novo, nekorisceno u original maloprodajnom pakovanju. Garancija: 2 godine.

OPIS

Improvements

Naim have also improved the components utilised in the NAIT 5si - making critical improvements and upgrades to the power amp stage, main circuitboard and wiring loom. Decades have passed, but the role of the NAIT 5si is fundamentally the same as its original forebear. So the engineering challenge - to maximise performance whilst maintaining engineering efficiency, quality and reliability - hasn't changed.

Amplifier Technology

Amplifier technology has moved on considerably however, and while the NAIT 5si occupies the same position in the Naim range as the original NAIT, its performance might be from a different world. The NAIT 5si provides four analogue inputs and a 60 Watt per channel power amplifier. It features a new headphone amplifier and borrows numerous technologies from across the spectrum of Naim products; all dedicated towards maximising its ability to communicate the fundamentals of music. The NAIT 5si brings clarity, engaging dynamics and, most of all, infectious enthusiasm to every music source and genre.

Suggested Systems

We are here to help find the right system for you. As a suggested starting point, you may want to consider partnering the NAIT 5si with the following:

Integrated System:

- Naim CD5i

Upgrade Paths:

- Power Line

Product Award:

HiFi Choice Recommended, What HiFi Award 5 Stars, HiFi Choice Editors Choice

Tech Specs:

AUDIO INPUTS

Input Level: Suitable for 2V sources (0.5 to 5.0V)

Input Sensitivity: 170mV

Analogue Inputs: 2 x DIN/RCA pair, 2 x RCA pair

USER CONTROL INTERFACE

Front Panel: Volume control and front panel buttons

AUDIO OUTPUTS

Line Outputs Fixed (level): HDD (RCA pair) 170mV, 470 Ω

Headphone outputs: ¼ inch (6.35mm) TRS Socket

SPEAKER OUTPUTS

Power: 60W per ch into 8Ω, 90W per ch into 4Ω

CONNECTIVITY

Remote Control: Infra-Red (RC5)

POWER

Mains Supply: 100V, 115V, 230V; 50 or 60Hz

Power Consumption (quiescent): 19VA

Power Consumption (maximum): 300VA

PHYSICAL

Dimensions: 70 x 432 x 314 (H x W x D)

Weight: 6.4kg

Supplied With: NARCOM-4 remote control

OTHER

Suggested System: CD5si

FINISH

Front: Black powder coated aluminium

Case: Black powder coated aluminium
