Neutrik NC3FXX

3 pole female cable connector with Nickel housing and silver contacts.
The next generation of the worldwide accepted standard of XLR cable connectors. The successor of the X series offers several new features which make it more reliable, easier to assemble and improves contact integrity as well cable strain relief.

Features & Benefits

Unique cage design of female contact for low contact resistance and high integrity

Female contact incorporates a solder barrier to prevent solder running into the contact mating area

Additional ground spring contacts for better shell ground continuity

Boot with polyurethane gland gives high protection to cable bending stresses

Sleek and ergonomic design - valuable and handy

Internal thread on shell is well protected against any damage
