Sherwood je osnovan 1953. godine u Čikagu-Illinois, kako bi napravio pojačalo konstruisano od strane inženjera Ed Miller-a. Ime je dobio po Šervudskoj sumi, domu Robina Huda, koja egzistira još od kraja Ledenog Doba. Sherwood teži da vašem srcu približi prirodan zvuk zelene šume. Ova kompanija, rame uz rame sa McIntosh-em, Fisher-om, Marantz-om, jedna je od pionira rane faze razvoja Hi-Fi industrije. Sherwood je na tržištu opstao duže od 5 decenija, a danas je pojam za kvalitetne uređaje u preko 50 zemalja širom sveta.
